

Compatriots,

We are members of the Sons of Confederate Veterans. A heritage group concerned with preserving the true history of the South and the "Second American Revolution" while honoring the memory of our forefathers who fought so bravely for the homeland. Those of us members who ride motorcycles have banded together to form a special interest group within the organization which we call the Mechanized Cavalry. We are not a Motorcycle Club (MC) or a riding group. We are a heritage group of motorcyclists and highly visible representatives of the Sons of Confederate Veterans. We do a lot of riding. We are very active at SCV and Mechanized Cavalry functions all over the South. If you have "The Blood", you are already one of us; all it takes now is a little paperwork.

As our Confederate ancestors rode whatever they could obtain, be it horse or mule, we do not have a type or size requirement for your motorcycle. You don't have to own a motorcycle to join us; you can join as an unmounted member. We do not have annual dues or fees. There is a one-time fee of \$100.00 to cover the cost of the SCV-MC Stainless Patch and one top rocker. You may wear them selectively at the appropriate places and times as you see fit. We have one annual meeting normally on the 2nd weekend of June, which rotates as to host State and town. We also have an annual event 2 Dogs during August each year, location TBD. Members living close by each other are encouraged to visit each other on a much more frequent basis to attend camp meetings, grave dedications, reenactments and

other SCV and southern heritage events together. Had the motorcycle been in existence during that "War of Northern Aggression", certainly it would have been employed. We are then, the present day Mechanized Cavalry of the Confederate States of America.

This organization consists of members in good standing with the Sons of Confederate Veterans who enjoy motorcycles and the freedom of the road. We hope you will give thoughtful consideration to becoming a member of the Cavalry to assist in fulfilling "The Charge of the SCV". The bond we share as descendants of the noblest warriors this nation has ever produced cannot be bought or replicated. That is what makes us, the Mechanized Cavalry, unique.

About the SCV...

The citizen-soldiers who fought for the Confederacy personified the best qualities of America. The preservation of liberty and freedom was the motivating factor in the South's decision to fight the *Second American Revolution*. The tenacity with which Confederate soldiers fought underscored their belief in the rights guaranteed by the Constitution. These attributes are the underpinning of our society and represent the foundation on which this nation was built. Today, the Sons of Confederate Veterans is preserving the history and legacy of these heroes so that future generations can

understand the motives that animated the Southern Cause. The SCV is the direct heir of the United Confederate Veterans, and the oldest hereditary organization for male descendants of Confederate soldiers. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that a true history of the 1861-1865 period is preserved. Membership in the Sons of Confederate Veterans is open to all male descendants of any veteran who served honorably in the Confederate armed

forces.

Charge to the Son of Confederate Veterans

"To you, Sons of Confederate Veterans, we submit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles he loved and which made him glorious and which you also cherish. Remember it is your duty to see that the true history of the South is presented to future generations."
